## MEMBERSHIP DETAILS

There are two membership options available to choose from.

**Premier Membership** offers you a saving on your annual renewal fees and requires your banking details to be securely stored on your membership file; thereby allowing RCI® to automatically renew your membership each year until you tell us otherwise. **By selecting an RCI® Premier Membership, you give RCI® permission, with us informing you well in advance, to automatically deduct the annual fee from your bank account each year, until you tell us otherwise.** RCI® uses the latest encryption technology to ensure your information is safely and securely stored. You will receive written notification when your RCI® annual membership becomes due. All other transactions will be debited according to telephone, e-mail or internet confirmation done by you.

**Standard Membership** does not offer savings on your annual renewal fees and requires you to contact RCI® on an annual basis to renew your membership through our Call Center or online.

Please select the type of RCI® membership and duration you would like to purchase.

**Complete this application form and the enclosed debit mandate and email them along with a copy of your ID document, Share Certificate, Levy Statement and Proof of Payment to memberqueries@rci.com.**

You can rest assured that RCI® will keep your personal information safe and secure at all times. We will not make your details available to any other company or organisation. We will send you RCI® communication that may be of benefit and interest to you. Should you prefer not to receive any promotional communication from RCI®, please notify us in writing.

# DEBIT MANDATE

Dear Member,

In order for RCI® to confirm your instruction, we ask you to please complete the below bank account debit mandate which would cover any future timeshare exchanges, rental bookings, membership renewals or any other auxiliary product with RCI®. This mandate replaces any previous debit mandates submitted, whether this was done in writing or telephonically through our call center.

RCI® will debit you for any exchange, rental transaction, membership renewal or auxiliary product using the mandated bank account, if you opt for this pay method, on your agreed debit date for the amount agreed upon when confirming your transaction. Your annual membership fee will be debited in the calendar year for the following year's membership. Should a debit from your nominated account be unsuccessful, RCI® will debit the account again by the last business day of the month following the original debit.

As we are unable to advise **future debit dates and amounts**, as these do change annually, we will advise you in advance, as per CPA regulations, of the **amount of the annual membership fee** payable and the **date upon which your annual membership fee will be deducted** from your account in that calendar year for the following year's membership. **Please initial to acknowledge this:** \_\_\_\_\_

For all other payment transactions, where you elect to pay via a **bank account**, you will be notified at the time of confirmation, the **amount payable** for the transaction and **your elected debit date**. You will receive a follow up notification to your **current preferred email** address we have on file, confirming your payment instruction. **Please initial to acknowledge this:** \_\_\_\_\_

Membership renewal and transaction fees are subject to an annual increase in line with CPI.

*In order to ensure that you receive these important notifications, please advise us when your email address changes.*

## MANDATE TO COVER ANNUAL RENEWAL MEMBERSHIP, TIMESHARE EXCHANGE, RENTAL BOOKINGS AND ANY AUXILIARY PRODUCTS

Should you wish to pay by bank account debit, please forward us your bank account details to store and debit for future membership renewals, exchange, rental bookings or any other auxiliary products purchased. RCI® strives to safe guard all membership information.
